

Parents,

At First Baptist Lyman, we want our VBS 2020 plan to allow for creative social distancing and consistent sanitization so that parents can have confidence while their children learn about Jesus. For this year, we are inviting all rising 1<sup>st</sup>-6<sup>th</sup> graders to our VBS (our older age groups). We will meet in our gymnasium (The Family Life Center) to ensure good spacing between seats and generous air volume.

We have dropped close-contact rotations such as crafts and mealtime, but have kept our high-energy rally, music, teaching, and interactive stage fun. The double doors will be kept open for arrival and dismissal, and our chairs will be sanitized after each evening. Families are encouraged to eat before or after VBS, since we will only hand out snack bags as students dismiss. We know well that VBS 2020 will not work for every family this year, but for those who attend, First Baptist Lyman promises to offer a fun and safe environment as we offer your child the hope of the gospel of Jesus Christ. Come grab a hard hat, and let's learn how to build our lives on the love of Jesus!
